Mrs. G. Swetha, Lecturer / DCME

Mrs. C. Nalini, Lecturer / DECE

Mrs. V.Bhargavi, Lecturer in Mathematics

I am delighted to extend my heartfelt congratulations to you on the recent achievements. My sincere appreciation for your exemplary leadership and the meticulous efforts in ensuring the smooth conduction of the recent examinations at Sri Padmavathi Polytechnic College. Your leadership and teaching staff have played crucial role in preparing the students to achieve their best, and I am eager to see the impressive results that I believe our students are capable of achieving.

I am pleased to extend my heartfelt congratulations to you, your entire team and students for the exceptional success in placements this year. Your commitment in equipping students with the necessary skills and industry exposure is evident in the remarkable outcomes we see today. My sincere congratulations for the successful completion of the recent two-week internship program for students. Your efforts in organizing and overseeing this intensive internship have truly paid off, and results are commendable. I am confident that your exemplary leadership and dedication will definitely help in nurturing the holistic development of students and the institution. Wishing you all the best!

Smt. M. Gowthami, I.A.S.,

Joint Executive Officer (H&Edn.),
Tirumala Tirupati Devasthanams

I would like to express my sincere gratitude for your invaluable support and resources that have significantly contributed for the successful conduction of examinations.

I observed a high level of engagement and seriousness among our students regarding their studies and our dedicated teachers worked tirelessly to ensure that students doing their best in the examinations. We worked together to create a supportive environment that enabled our students to perform well in the examinations. I believe our students are capable of achieving good results and making our institution proud. I extend my heartfelt thanks for recognising our collective efforts in enriching the students' skills to meet the industry standards thereby achieving success in the placements this year.

I would like to extend my gratitude to the placement cell, faculty members and industry partners for their relentless efforts and support in making this year's placements a success. Your acknowledgement on this is a driving force for our future assignments. Your consistent support has empowered us in organizing academic and extracurricular activities effectively and successfully. Your words of encouragement not only validate the hard work that we put into leading our college but also inspire all of us to strive for excellence in our educational endeavours. Thank you once again for your kind cooperation.

Dr. G. Asuntha, M.Pharm., Ph.D., Principal

TIRUMALA TIRUPATI DEVASTHANAMS
SRI PADMAVATHI WOMEN'S POLYTECHNIC

To attain the status of an exceptional diploma level institute for women in the field of technical education.

- M6 : To encourage the students in using electronic learning resources.**
- M7 : To mandate internship training in industry / research institutions.**
- M8 : To organize campus placement drives**
- M9 : To inculcate soft skills and entrepreneurship skills.**

Examinations(April/May-24)

The State Board of Technical Education and Training (SBTET) recently administered the April-May 2024 examinations for students enrolled in the C-20 & C-23 curriculum. This examination cycle encompassed students pursuing Diploma programs in Electronics and Communication Engineering (DECE), Diploma in Computer Engineering (DCME), Diploma in Commercial and Computer Practice (DCCP), and Diploma in Pharmacy (DPH).

The examinations, held across various examination centers, aimed to evaluate the academic progress and knowledge acquisition of students following the specified curriculum.

Students from diverse technical backgrounds were assessed on their understanding of the respective subjects and their ability to apply theoretical knowledge to practical scenarios.

As students eagerly await the results of these examinations, the SBTET's commitment to maintaining academic standards and fostering technical education remains evident. The successful completion of these examinations is a significant milestone for students pursuing Diploma programs under the C-20 & C-23 curriculum, marking a step forward in their academic journey and preparation for future challenges in the field of technology and engineering.

Parents Meeting

In a pivotal engagement session, a parents meeting was convened on the 4th of May 2024 for the Diploma in Commercial and Computer Practice (DCCP) 4th semester students. The purpose of the meeting was to discuss the forthcoming 5th semester curriculum, as well as the highly anticipated 6th semester industrial training, showcasing a holistic approach to student development.

During the interactive session, parents were provided with comprehensive details regarding the academic roadmap for their wards, emphasizing the significance of the upcoming industrial training in enhancing practical skills and industry exposure. This strategic initiative aimed to equip students with the necessary tools and insights to excel in their chosen field.

Furthermore, the reopening of the institution on the 10th of June 2024 was announced, heralding a new chapter in the students' educational journey. This date serves

as a beacon for students and parents alike, signifying the commencement of a fresh academic term filled with opportunities for growth and learning.

The presence of the Head of the Department (HOD) and dedicated staff members at the meeting underscored the institution's unwavering commitment to student success and holistic development. Their active participation and guidance during the session highlighted the collaborative efforts between educators, parents, and students in nurturing a supportive academic environment.

In essence, the parents meeting served as a platform for open communication, setting the stage for a successful transition into the upcoming semesters and ensuring that students are well-prepared to seize the opportunities that lie ahead in their educational journey.

Placement Drive

In a resounding success for SPW Polytechnic-TTD, Tirupati, Moship Technologies, a prominent firm based in Hyderabad, orchestrated a centralized placement drive under the auspices of the State Board of Technical Education, Guntur. The event saw an impressive turnout of 100 Diploma in Electronics and Communication Engineering (DECE) students hailing from various esteemed institutions across Andhra Pradesh.

Following a rigorous selection process overseen by the HR team comprising 6 members from Moship Technologies, a total of 9 students were chosen for coveted placement opportunities. Notably, the students from SPW Polytechnic clinched a remarkable 7 out of these placements, underscoring their exceptional talent and readiness for the professional arena.

The multi-faceted selection process encompassed 4 rounds, each strategically designed to evaluate diverse facets of the

candidates' capabilities. Commencing with a comprehensive written test in the initial round, the subsequent stages included two technical rounds aimed at assessing the students' technical acumen and problem-solving prowess. The final hurdle, a crucial HR interview, took place on the 3rd of May 2024, focusing on evaluating the students' interpersonal skills and alignment with the organizational ethos.

In the wake of this triumph, Dr. G. Asuntha, Principal of SPW Polytechnic, expressed heartfelt gratitude to the Moship Technologies team for their instrumental role in facilitating this successful placement drive. The collaborative efforts between Moship Technologies and the educational institutions in Andhra Pradesh have not only opened doors to promising career prospects for the selected students but have also set a commendable precedent for future synergies in the realms of technical education and industry placements.

Internship

Students from SPW Polytechnic's DECE, DCME, and DCCP programs have successfully completed a two-week internship program focused on understanding and documenting local urban infrastructure and environmental conditions.

This hands-on experience provided students with valuable insights into real-world challenges and opportunities.

As part of the internship, students were tasked with gathering data on essential urban services such as water supply, sanitation, surface water management, and park facilities. They also assessed transportation options, school infrastructure, and soil health conditions in their respective areas.

By conducting thorough research and on-site observations, students compiled

comprehensive reports that shed light on the strengths and weaknesses of local urban planning and management.

This internship initiative not only equipped students with practical skills but also instilled a sense of civic responsibility. By engaging with their communities and analyzing local issues, students developed a deeper appreciation for the complexities of urban life and the importance of sustainable development.

SPW Polytechnic commends the students for their dedication and hard work during the internship. The knowledge and experience gained through this program will undoubtedly contribute to their academic and professional growth.

Skill Development

In a bid to enhance students' learning experience and equip them with essential digital skills, SPW Polytechnic conducted an awareness session on SWAYAM and NPTEL online courses. The event, held on June 19, 2024, at the institute's seminar hall, witnessed enthusiastic participation from all HODs, staff, and students. The session provided comprehensive insights into the registration process for these online courses and offered valuable guidance on preparing for online examinations.

The HODs emphasized the importance and benefits of enrolling in SWAYAM Courses for enhancing learning and skills development.

Detailed instruction on how to register for SWAYAM Courses were provided. This included a step-by-step guide on navigating the SWAYAM portal and enrolling in desired courses.

The HODs discussed various strategies and resources available to students for preparing for online examination, this includes tips on time

management, understanding the exam pattern, and utilizing practice tests.

HODs and faculty members played a pivotal role in disseminating information and clarifying doubts among the students. By organizing this awareness session, SPW Polytechnic has demonstrated its commitment to providing students with access to quality education and fostering a culture of lifelong learning.

Trends @ IT

In a bid to prepare students for the rapidly evolving technological landscape, SPW Polytechnic organized a skill enhancement seminar on June 26, 2024. The event featured a technical team from Gaganam Infotech Solutions, Tirupati, who provided valuable insights into the latest trends in computer courses, including the burgeoning field of Artificial Intelligence (AI).

The seminar, held at the institute's seminar hall, witnessed overwhelming participation from students, HODs, and staff. Mr. Ganesh and his team from Gaganam Infotech Solutions delivered an informative session, shedding light on the potential of AI and its applications across various industries.

The interactive session also provided an opportunity for students to clarify their doubts and seek guidance from the experts. By organizing such industry-focused events, SPW Polytechnic reaffirms its commitment to providing students with the necessary skills to excel in the competitive job market.

International Day of Yoga-2024

SPW Polytechnic, a leading technical education institution, recently participated in the International Day of Yoga celebration conducted at SV University in Tirupati. The event brought together students, faculty, and staff from various educational institutions to promote the practice of yoga and its numerous benefits.

On 21st June, 2024, a group of students and faculty members from SPW Polytechnic traveled to SV University to take part in the grand celebration. The event commenced with an inaugural ceremony, where distinguished guests and dignitaries emphasized the importance of yoga in maintaining physical and mental well-being.

The participants were then led through a series of yoga asanas (postures) and pranayama (breathing exercises) by experienced yoga instructors. The session focused on promoting flexibility, strength, and relaxation, while also encouraging mindfulness and inner peace.

The International Day of Yoga celebration at SV University aimed to raise awareness about the significance of yoga as a holistic approach to health and well-being. It provided an opportunity for students and staff from different institutions to come together and engage in a shared activity that promotes physical fitness and mental wellness.

The International Day of Yoga, celebrated annually on June 21st, was declared by the United Nations General Assembly in 2014. It aims to highlight the significance of yoga as a means of achieving physical, mental, and spiritual well-being and to promote its practice worldwide.

SPW Polytechnic's participation in the International Day of Yoga celebration at SV

University reflects the institution's commitment to promoting a healthy and balanced lifestyle among its students and staff. By actively engaging in such events, SPW Polytechnic encourages its community to incorporate yoga into their daily routines and experience the benefits firsthand.

As the event concluded, the participants expressed their gratitude to SV University for organizing such a meaningful celebration and providing a platform for students and staff to come together. They also pledged to continue practicing yoga regularly and to spread awareness about its benefits among their peers and the wider community.

SPW Polytechnic's participation in the International Day of Yoga celebration at SV University showcases the institution's dedication to holistic education and the well-being of its students. By actively engaging in such events, SPW Polytechnic continues to inspire and empower its community to lead healthier and more fulfilling lives.

The students embarked on a spirited rally from their college to the university, creating a wave of awareness about the importance of yoga. The day-long event also included a series of competitions organized at the SPW Polytechnic Seminar Hall, where students showcased their talents and skills. Dr. G. Asuntha, The Principal of SPW Polytechnic, commended the students for their active participation and dedication. Her words of encouragement inspired the young minds to embrace a healthy and balanced lifestyle through the practice of yoga.

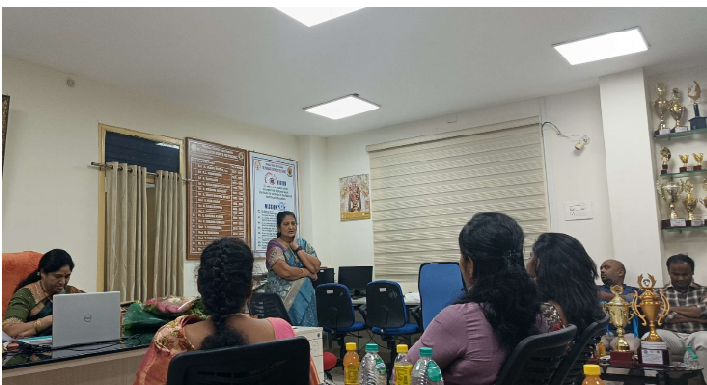

Retirement

development of the DCCP department. Her leadership, dedication, and expertise have left an indelible mark on the department, and her contributions have been instrumental in shaping the success of countless students. “Heads of various departments also took the opportunity to express their gratitude and admiration for Mrs. Sasikaladevi. Their speeches highlighted her exceptional qualities as an educator, mentor, and colleague. “As Mrs. Sasikaladevi embarks on a new chapter in her life, the SPW Polytechnic community extends their warmest wishes and heartfelt appreciation for her dedicated service. Her legacy will continue to inspire future generations of students and faculty.

The SPW Polytechnic family bid a heartfelt adieu to Mrs. S. Sasikaladevi, the esteemed Head of the Department of DCCP, on May 31, 2024. A retirement function was organized to honor her invaluable contributions to the institution. “The event was graced by the presence of the college’s Principal, Dr. G. Asuntha, who delivered a heartfelt speech acknowledging Mrs. Sasikaladevi's instrumental role in the

JOB ACHIEVERS' DAY

A momentous occasion, SPW Polytechnic in Tirupati celebrated Job Achievers' Day on 25th May 2024, honoring the students who have successfully secured employment. The event was attended by esteemed guests, including Dr. A. NIRMAL KUMAR PRIYA garu R.J.D., S.V.U. Region, Tirupati. representatives from the Dr. M. BHASKAR REDDY garu Devasthanams Educational Officer, TTDs, Tirupati. and Dr. G. Asuntha, Principal of SPW Polytechnic. The ceremony was a testament to the hard work and dedication of the students who have achieved their dreams of securing a job. The RJD and other dignitaries congratulated the students on their remarkable achievements, praising their perseverance and commitment to their goals.

The event was also attended by the proud parents of the students, who beamed with joy and pride as they witnessed their children being felicitated. The atmosphere was filled with excitement and motivation, as the students shared their experiences and the challenges they overcame to achieve success.

Chief Guest's Address, The Tirupati RJD,

in his address, emphasized the importance of education in shaping the future of individuals and society. He praised the students for their achievements and encouraged them to continue striving for excellence in their careers.

The Principal of SPW Polytechnic expressed her pride and happiness at the students' success, attributing it to the institution's commitment to providing quality education and training. She urged the students to remain humble and grounded, even as they scale new heights in their careers.

The students who secured jobs shared their experiences, expressing gratitude to their parents, teachers, and the institution for their support and guidance. They attributed their success to the skills and knowledge gained during their time at SPW Polytechnic.

The Job Achievers' Day celebration at SPW Polytechnic, Tirupati, was a resounding success, inspiring and motivating the students to strive for excellence in their careers. The event served as a testament to the institution's commitment to shaping the future of our students.
