Today, more than at any time in history, technology is changing. It has the power to transform economic, social, cultural and environmental situations of our country, so that all our countrymen may have food, shelter, education, health-care and employment within a given time-frame. Sri Padmavathi Womens Polytechnic, Tirupati, is dedicated to the task of making India a knowledge society: to create scientists, administrators and engineers of proven capability.

The main goal is that every student not only becomes a successful individual in the vibrant and dynamic environment but also becomes a better human being that will make him a responsible citizen upholding our values and ethics.

The institution aims at complete holistic development of each and every student. I invite you to explore this unique and fulfilling field of study and join hands to realize your dream of becoming an achiever as well as a good human being. Looking forward to your co-operation.

Smt. Sada Bhargavi I.A.S.

Joint Executive Officer (H&Edn.)
Tirumala Tirupati Devasthanams

We are diverse, our learning community benefits from a wide range in age and background. classroom experiences are challenging and thought provoking as a result of the cultural uniqueness and life experience of the students. Over the last

few years, however, we have made strong inroads and setting an example for the nation of proactive, positive educational change. I'd like to take this opportunity to thank the faculty and management who devote their time and professional expertise towards this cause. The responsiveness of our staff, the quality of our facilities and the practical approach we apply to our programmes ensures our faculty meets the needs of today's students and tomorrow's employees.

Dr. M. Bhaskar Reddy

Devasthanams Educational Officer.

With immense pride and excitement, I am delighted to announce that our esteemed Polytechnic will be hosting the Inter Polytechnic Sports and Games Meet -23 for Girls (SVU Region) ! This prestigious event brings together talented athletes and spirited teams from across various polytechnics, fostering camaraderie, competition, and a spirit of healthy sportsmanship.

I extend my heartfelt gratitude to the Joint

Executive Officer, Devasthanams Educational Officer, and the entire TTD Management for their invaluable guidance, encouragement, and dedication. Their commitment to providing our students with holistic learning experiences plays a pivotal role in events like this. To our dedicated staff, I offer my sincerest appreciation for their tireless efforts in planning, organizing, and ensuring the smooth execution of this event. Their hard work and passion are visible in every aspect of the preparations, and I am confident that their commitment will make this event a resounding success.

Dr. G. Asuntha, M.Pharm., Ph.D., Principal

TIRUMALA TIRUPATI DEVASTHANAMS
SRI PADMAVATHI WOMEN'S POLYTECHNIC

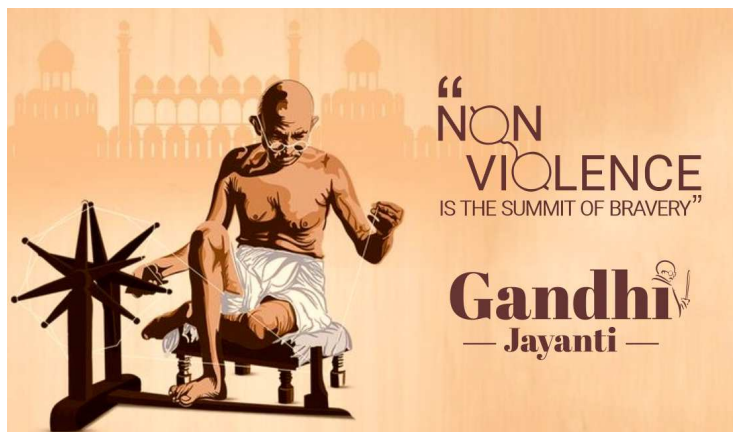

To attain the status of an exceptional diploma level institute for women in the field of technical education.

MISSION

- M1 : To enforce Outcome Based Education (OBE).**
- M2 : To ensure meaningful learning employing Revised Blooms Taxonomy.**
- M3 : To comply with the desirable norms and standards of regulatory bodies.**
- M4 : To provide laboratory equipment for practical training as per curricula in vogue.**
- M5 : To utilize the Information Communication Technologies in teaching and assessment.**
- M6 : To encourage the students in using electronic learning resources.**
- M7 : To mandate internship training in industry / research institutions.**
- M8 : To organize campus placement drives**
- M9 : To inculcate soft skills and entrepreneurship skills.**

SPW Polytechnic, Tirupati, commemorated Mahatma Gandhi's 154th birth anniversary with great enthusiasm and fervour on October 2nd, 2023. The celebrations were attended by the Principal, Dr. G. Asuntha, Heads of Departments, faculty members, staff, and students.

The day began with a prayer meeting, principal Dr. G. Asuntah delivered a stirring speech, highlighting Gandhi's principles of non-violence, truth, and Satyagraha, and their continued relevance in today's world. He urged the students to imbibe these values in their lives and contribute to building a

more just and equitable society.

Several cultural programs were organized throughout the day. Students presented speeches, poems, and songs in praise of Mahatma Gandhi. A skit depicting important events from his life was also performed.

The Gandhi Jayanti celebrations at SPW Polytechnic were a resounding success, leaving a lasting impression on all who participated. The event served as a reminder of Mahatma Gandhi's timeless legacy and his enduring influence on generations to come.

Municipal solid waste management

The SPW Polytechnic in Tirupati took a proactive step towards addressing the critical issue of municipal solid waste management on October 7th, 2023. The institute hosted a thought-provoking seminar led by Dr. N. Munilakshmi, a renowned expert from the Department of Civil Engineering at SVU College of Engineering, SV University Tirupati.

Dr. Munilakshmi's insightful presentation shed light on the current challenges and potential solutions

surrounding municipal solid waste. She discussed the importance of waste reduction, reuse, and recycling, highlighting innovative strategies and technologies that can be implemented to create a more sustainable future.

The seminar attracted a diverse audience of students, faculty members fostering a stimulating exchange of ideas and perspectives. Participants actively engaged in discussions .

DEO Visit . . .

On November 4th, 2023, Dr. M. Bhaskar Reddy, the esteemed Development Educational Officer of Tirumala Tirupati Devasthanams (TTDs), conducted a comprehensive inspection of the hostel facilities at SPW Polytechnic, Tirupati. His visit aimed to assess the living conditions of the students, ensure their well-being, and address any potential concerns.

Dr. M. Bhaskar Reddy, meticulously toured the hostel premises, inspecting the common areas, dining halls, study rooms, and individual rooms. He engaged in open dialogue with the students, inquiring about their experiences, amenities, and any issues they might be facing. The students, in turn, expressed their gratitude for the opportunity to voice their concerns and appreciated Dr. Reddy's genuine interest in their welfare.

Following the inspection, Dr. M. Bhaskar Reddy, convened a meeting with the hostel authorities. He emphasized the importance of maintaining high standards of hygiene, cleanliness, and security within the hostel. He provided specific instructions regarding infrastructure upgrades, improvement of amenities, and ensuring a comfortable and conducive environment for the students.

Dr. M. Bhaskar Reddy, visit and subsequent directives were met with positive reactions from both the students and hostel authorities. The students felt reassured by his attention to their concerns and expressed confidence that their living conditions would improve. The hostel authorities appreciated Dr. M. Bhaskar Reddy, guidance and assured him of their commitment to implementing his recommendations.

This inspection and interaction highlight Dr. M. Bhaskar Reddy, dedication to the well-being of students under TTDs. His proactive approach and commitment to improving their living conditions set a positive example for other educational institutions.

In a vibrant display of national pride and unity, SPW Polytechnic in Tirupati commemorated National Integration Day on November 19th, 2023, with a day filled with cultural performances, informative speeches, and a strong message of togetherness.

The festivities commenced with a flag-hoisting ceremony officiated by the esteemed Principal of SPW Polytechnic, Dr. G. Asuntha. In her address, the Principal emphasized the significance of National Integration Day, urging students and staff to embrace the richness of India's diverse cultures and languages. She highlighted the importance of tolerance, respect, and understanding in fostering a strong and united nation.

Following the Principal's speech, students from various departments took the

stage, showcasing the vibrant tapestry of India's cultural heritage. The auditorium resounded with the melodies of regional folk songs, energetic dance performances, and captivating theatrical presentations depicting the unique traditions and customs of different parts of the country.

The event culminated with a pledge taken by the entire SPW Polytechnic community to uphold the values of national unity, respect for all cultures, and the principles enshrined in the Indian Constitution.

Beyond the celebrations, SPW Polytechnic also took the following initiatives to mark National Integration Day:

Students from different departments were encouraged to share their cultural practices and traditions, fostering understanding and appreciation for each other's backgrounds. A competition was held on the theme of "National Integration," encouraging students to reflect on the importance of unity in diversity.

WORLD AIDS DAY

In a powerful display of solidarity and commitment to raising awareness about HIV/AIDS, SPW Polytechnic in Tirupati held a spirited rally and awareness campaign on World AIDS Day, December 1st, 2023.

Led by the esteemed Principal, along with Heads of Departments, faculty members, and a large contingent of enthusiastic students, the rally marched through the campus grounds, proudly carrying banners emblazoned with the red ribbon symbol and powerful messages like "End AIDS for Good," "Know Your Status," and "Break the Stigma."

The event concluded with a pledge by the entire SPW Polytechnic community

to combat HIV/AIDS through ongoing education, awareness campaigns, and support for those affected by the disease.

Principal Dr. G. Asuntha, addressing the participants at the closing ceremony, stated, "World AIDS Day is not just a day for remembrance, but a call to action. We, at SPW Polytechnic, are committed to playing our part in ending the HIV/AIDS epidemic by promoting awareness, breaking the stigma, and supporting those in need."

The enthusiastic participation and unwavering commitment displayed by the entire SPW Polytechnic community during the World AIDS Day event served as a beacon of hope and a testament to the collective effort required to achieve an AIDS-free future.

AI Transforming the Future

SPW Polytechnic, Tirupati, Delves into the World of AI with K. Aruna's Insightful Talk, SPW Polytechnic, Tirupati, hosted a thought-provoking event on December 14, 2023, exploring the fascinating realm of Artificial Intelligence (AI). The session featured Dr. K. Aruna, a renowned AI expert from the Department of Mechanical Engineering at Sri Venkateswara University (SVU), Tirupati, as the guest speaker. Dr. Aruna's insightful talk, titled "AI: Transforming the Future," captivated the audience, comprising the Principal, HODs, faculty members, and enthusiastic students of SPW Polytechnic.

Dr. Aruna embarked on a captivating journey, demystifying the complexities of AI and showcasing its transformative potential across various industries. She shed light on the fundamental concepts of AI, including machine learning, deep learning, and natural language processing. Through engaging examples and real-world applications, she illustrated how AI is revolutionizing fields like healthcare, manufacturing, finance, and even entertainment.

Dr. Aruna's talk resonated deeply with the audience, sparking curiosity and igniting discussions about the ethical considerations and future implications of AI. Students actively participated in the Q&A session, eager to delve deeper into specific applications and explore potential career paths in this rapidly evolving field.

The event proved to be a resounding success, providing valuable insights into the world of AI and its potential to shape the future. SPW Polytechnic's commitment to fostering intellectual curiosity and equipping its students with the knowledge and skills needed to thrive in the digital age was evident in the organization of this insightful session.

In a spirited display of athleticism and camaraderie, SPW Polytechnic in Tirupati proudly hosted the 26th Inter Polytechnic Sports & Games Meet for Girls (SV Regional Level) on December 19th, 2023. The event, a premier platform for showcasing the sporting talent of young women across polytechnics in the Sri Venkateswara University region, brought together hundreds of participants from various institutions for a day of fierce competition and joyful interaction.

The inauguration ceremony saw a gathering of distinguished guests who officially

kickstarted the event. Prof. O. MAHAMMAD HUSSAIN, Registrar of Sri Venkateswara University, Tirupati, graced the occasion as the Chief Guest. Joining him were Dr. M. BHASKAR REDDY, Development Educational Officer, TTDs, Tirupati, and Dr. Y. DWARAKANADHA REDDY, Nodal Officer (IPSGM), S.V.U. Region. The Convener of the event, Dr. A. NIRMAL KUMAR PRIYA, R.J.D., to Technical Education, Tirupati, and Dr. G. ASUNTHA, Principal of SPW Polytechnic, Tirupati, also addressed the participants, encouraging them to embrace the spirit of

sportsmanship and fair play.

The day unfolded with a vibrant sports carnival, featuring a range of athletic and sporting events like track and field, badminton, table tennis, and chess. Each competition witnessed enthusiastic participation and nail-biting finishes, as athletes from different polytechnics pushed their limits and showcased their exceptional skills. The atmosphere was electric with cheers, chants, and unwavering support from fellow participants and spectators.

Beyond the intense competition, the event fostered a sense of camaraderie and unity among the participants. Athletes from different institutions interacted, bonded over their shared passion for sports, and forged valuable friendships. The spirit of sportsmanship shone brightly, with participants congratulating each other on victories and offering encouragement in moments of defeat.

Key Highlights:

Over 250+ athletes from various polytechnics participated in the event.

A wide range of sporting events cater to diverse athletic interests.

Spirited competition with displays of exceptional talent and skill.

Strong emphasis on sportsmanship and camaraderie among participants.

A platform for young women to showcase their athletic abilities and foster positive connections.

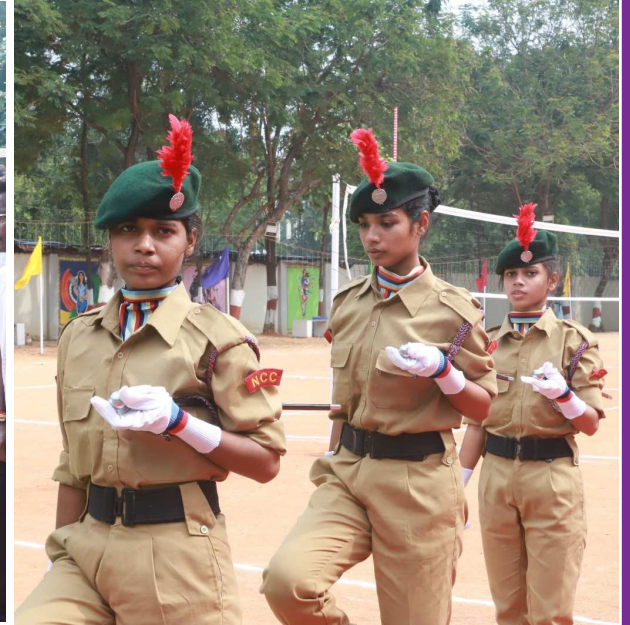

The 26th Inter Polytechnic Sports & Games Meet for Girls successfully concluded with a grand award ceremony, where winners were felicitated for their achievements. The event served as a testament to the dedication, talent, and sportsmanship of young women in the field of athletics.

SPW Polytechnic's exceptional hosting of this prestigious event has set a new benchmark for future Inter Polytechnic Sports & Games Meets. The event's success was a collective effort made possible by the dedication of organizers, volunteers, participants, and all those who contributed to making it a memorable experience for all.

Tirupati, Andhra Pradesh: In a resounding celebration of female athleticism and sportsmanship, SPW Polytechnic - TTD, Tirupati, hosted the 26th Inter Polytechnic Sports & Games Meet (SV Regional Level) for Girls on December 20th, 2023. The event, a testament to the growing focus on women's sports in India, saw enthusiastic participation from students across various polytechnic institutions in the SV region.

The day kicked off with a vibrant opening ceremony graced by esteemed dignitaries:

Dr. M. Bhaskar Reddy, Development Educational Officer, TTDs, Tirupati
Dr. Y. Dwarakanadha Reddy, Nodal Officer (IPSGM), S.V.U. Region
Dr. A. Nirmal Kumar Priya, R.J.D., to Technical Education, Tirupati
Dr. G. Asuntha, Principal, S.P.W. Polytechnic, Tirupati

The ceremony featured inspiring speeches emphasizing the importance of sports in promoting physical fitness, teamwork, and leadership qualities in young women. The Principal, Dr. G. Asuntha, declared the meet open, and the campus reverberated with cheers and enthusiasm as the participants marched in, representing their respective institutions with pride.

The day unfolded into a spectacle of athletic prowess and competitive spirit. From the electrifying sprinting races to the skillful badminton smashes, the participants showcased their dedication and talent across various disciplines. The air buzzed with excitement as athletes pushed their limits, cheered each other on, and forged bonds of camaraderie.

The culmination of the event arrived with the much-awaited prize distribution ceremony. Dr. M. Bhaskar Reddy and Dr. Y. Dwarakanadha Reddy adorned the winners with medals and trophies, recognizing their exceptional

achievements. The proud faces of the champions, bathed in the warm glow of victory, became a fitting finale to the day's events.

Beyond the competitive spirit, the 26th Inter Polytechnic Sports & Games Meet served as a platform for:

Promoting gender equality and inclusivity in sports.

Highlighting the talent and potential of female athletes.

Fostering a culture of sportsmanship and camaraderie among participants. Encouraging healthy lifestyle choices and physical fitness among young women.

SPW Polytechnic's successful hosting of the event is a significant step towards empowering girls and showcasing their athletic abilities on a regional stage. The meet served as an inspiration for other institutions and organizations to champion women's sports and provided young athletes with the necessary platforms to excel.

SPW Polytechnic, Tirupati, commemorated National Mathematics Day on 22nd December 2023 with vibrant energy and participation from the Principal, HODs, faculty members, and enthusiastic students. Marking the birth anniversary of legendary mathematician Srinivasa Ramanujan, the day unfolded with a series of stimulating activities and events designed to ignite a passion for mathematics within young minds.

The celebrations commenced with an inspiring address by the Principal, emphasizing the pivotal role of mathematics in shaping engineers and scientists and its pervasive influence in various aspects of daily life. A renowned mathematician from a local university graced the occasion as a guest speaker, captivating the audience with anecdotes from Ramanujan's life, his exceptional mathematical brilliance, and his lasting contributions to the field.

To demystify the world of numbers and make it engaging, the department organized a captivating array of competitions. Students eagerly participated in quiz contests, brain-teasing puzzles, and even showcased their creativity through poster-making and

essay-writing competitions on the theme of "Mathematics in Everyday Life." The atmosphere crackled with excitement as students collaborated, strategized, and applied their mathematical skills to conquer the challenges with infectious enthusiasm.

Adding a dash of cultural vibrancy, the department hosted a captivating program featuring dance performances, melodious renditions, and thought-provoking skits that creatively depicted the beauty and relevance of mathematics in our daily lives. The program culminated in a prize distribution ceremony, where winners of the various competitions were recognized and applauded for their exceptional performances.

SPW Polytechnic's National Mathematics Day celebrations transcended textbooks and formulas to provide a platform for students to appreciate the wonder of mathematics. The event not only fostered a spirit of healthy competition and intellectual curiosity but also served as a powerful reminder of the importance of nurturing young minds to embrace the power of numbers and unlock their potential in diverse fields.

SPW Polytechnic conducted a Clean and Green Programme on its premises. The Principal, Dr. G. Asuntha all HODs, staff, and students.

The programme was aimed at raising awareness about the importance of cleanliness and environmental protection. Dr. Asuntha, in her inaugural address, spoke about the need to keep our surroundings clean and green. She also urged the students to take an active role in protecting the environment.

After the inaugural address, the students participated in various activities, such as planting trees, cleaning the campus, and making

posters on environmental protection. The programme was a success and helped to raise awareness about the importance of cleanliness and environmental protection among the students and staff of SPW Polytechnic.

Principal Dr. G. Asuntha appreciated the efforts of HODs, staff, and students in making the Clean and Green Programme a success. She said that the programme was a reminder of our responsibility to protect the environment. She urged everyone to continue their efforts to keep our surroundings clean and green.
